The place where I live

¡Hi Friends! My name is Sandra and I live in Hilltown. It is in the South of England. It isn't a very big town. About 9,000 people live there. There are about thirty shops in the shopping centre and there are three supermarkets. You can buy everything in the town what you need. There is a bank in front of the post office in Main Street. There is a police station next to the library. You can find a big market where you can buy fresh fruit, vegetables, meat and dairy products. I like going to the market with my mom. There are three churches in the town centre and there is a park, too. The park in between the hospital and the swimming

pool. In the park children can play because there is a playground. In our town you can find some restaurants. My favorite restaurant is Icecave. If you want to see a film you can go to the cinema in our town, and if you want to see old things you can go to the museum too. If you want to see animals you can go to the Zoo, it's fantastic! I like living in Hilltown because it is a calm place and the people are friendly.
