Prueba Formativa

Nombre:	
Curso:	Fecha :
Objetivo de la clase: Responder prueba formativa de objetivos estudiados durante la unidad.	

Item I. Read the text and circle the correct alternative (Lee el texto y encierra en un circulo la alternativa correcta)

Let's eat!

Different food help your body in different ways. It's easy to know what foods are good for you. The five big food groups name the foods you need every day. You need six **servings** from the grain group every day. **Pasta**, rice and bread **are made from grains**. **Grain** food give you **energy**. Eat three to five servings of vegetable each day. **Carrots, green beans and peas** are **vegetables**. You also need some fruit each day. You can drink a glass of apple juice.

You can eat a peach or any other fruit. These foods help your eyes and **skin**. You need two or three servings of milk each day. A glass of milk **tastes** good. Yogurt and cheese help **build** strong bones and teeth. You also need servings from the meat group. Eggs, fish, chicken, and beans are in This group too. You need two to three servings a day to build strong **muscles**. try not to eat many fats, chocolates, sodas or sweets. They may taste good, but they don't help you to grow strong or stay **healthy**.
